PRINCIPAL'S MESSAGE

Dear MVA Families and Friends,

It's the time of the year where the weather cools down a little, the leaves begin to turn colors, and a feeling of gratitude fills us.

While we here at MVA have much to be grateful for, many of our brothers and sisters find themselves without homes and personal possessions due to the most recent fires in Northern California. Our hearts and prayers go out to them as they face the challenging days ahead of them. I know personally several who lost their homes and some who were more fortunate.

Gratitude is defined as: "the quality of being thankful; readiness to show appreciation for and to return kindness". How will we show our gratitude this holiday season? Will we reach out and show kindness to others? How will we teach our young people the art of gratitude?

As you ponder these thoughts, I challenge you, as I challenge myself, to live with an attitude of gratitude and practice gratitude at school, at home, and in your workplace. Practicing an attitude of gratitude can not only change the life of someone you come in contact with, but your own as well!

I am grateful for each one of you! Happy holidays and God's blessing to you and your family!

Mrs. Briggs
