

Mountain View Academy

360 S. Shoreline Blvd. ~ Mountain View, CA 94041

Dear MVA Family,

Thank you for your support and patience during these anxious times. As a community member in Santa Clara County, this has been stressful for everyone. There has been more and more concern about ways to slow the spread of the COVID-19 virus.

With that said, in communication with our Board, Central California Conference Office of Education and the local administration, we have decided to transition to **Remote Learning for Students** for the week of March 16-20. If for any reason, we need to continue this plan after spring break, we will communicate that to you by Monday, March 30, 2020. At this time we will plan to resume classes on campus on March 31, 2020. All sports practices will be canceled until further notice.

At this time, teachers are taking the time during classes on Friday, March 13, 2020 to help students sign in and work out any questions they may have to start this process on Monday. Please see the Remote Learning Guide for Students document to help your student succeed during this transition.

The office and staff will be on campus during this time. If you have any questions, please do not hesitate to ask. We are here for your students and their success.

Our staff is committed to you and your family and we Thank You for the opportunity to serve you. God has a special plan for your student, and we are here to partner with you to help that plan come alive!

Sincerely,

Sara Baroro, Principal
Mountain View Academy
