

DETACH AND KEEP

May 11, 2010

Hello Parents!

On Friday, May 21, Mountain View Academy will have our beach vespers program. We will be leaving after school at around 2:15. School will end at 2:00 and if students are not going to beach vespers they should be picked up at that time.

Students who come to beach vespers need to pay \$5, which goes to pay for the cost of the bus rental. We will be traveling to Twin Lakes Beach in Santa Cruz, and returning to the school at 9:00 p.m.. Please make sure that **your student is picked up no later than 9:15**. We will do our utmost to stick to this schedule, if there are any deviations you will be notified by cell phone. Dinner is provided at the beach, and students should wear appropriate beach clothing for an evening in Santa Cruz . . . it can get pretty cold.

We do need parents to help with the food for both beach vespers and the picnic, so if you are able and willing to help out call or email Kristin Phillips. Also, please contact the MVA office, Moises Guerrero, or Kristin Phillips with any questions.

Thank you for sending your kids to MVA!!
